

Emmanouil Stamatakis

21 years old programmer entrepreneur athlete.

D.O.B: 05/02/1997 | Spercheiou 78, Athens, Greece | PC: 12137

Email: EmmanouelStamatakes@gmail.com | +30 6976667762

Skype: live:themagicsport

I'm studying Informatics at University of Piraeus, Greece. I chose the Software Engineering and Intelligent Systems direction to continue my studies. I would like to create projects that could be useful to public and save as much time as possible from them. I am very excited to learn new things about programming and my aim is to create and develop projects that resolve real world problems.

Working Experience

September 2017 – February 2018

November 2017 - January 2018
Siemens, Furth Germany

May 2018 - Now
Dataverse Ltd

Doing

Android Development
(Groundify)

Integration Testing

Developer

Working With

Android Studio(Java)
